OLYMPIC DREAMS

It's truly inspirational to be part of the Australian equestrian community in this Olympic year.

What a wonderful achievement it was for our eventers to win the team silver medal, and then beaten only in a nail-biting finish that could so easily have given us the gold. They took it right down to the wire, and they did us proud, continuing our amazing tradition in the eventing world and leaving us a nation to be feared.

The dressage - there is no end to the potential of our riders here. We have the talent and we have the horsepower to push on towards the medals - we achieved our highest-ever placing with 8th in the teams, and with just 2% in total between 6th and 8th place, we're closing in on the top riders all the time. There is no doubting that the breeding we have here in Australia is simply equal to anywhere in the world, and our time is coming!

The showjumping? Three Aussies in the top 25 and age is no barrier. Never give up, there's Laurie Lever in there debuting at 60 years of age, achieving his Olympic dream, proving that anything is possible for the Aussie battler that will never say die.

And here at home, at Auction of the Stars, we are building the foundations for future Olympic dreams by bringing you a simply incredible collection of horses bound to help you on your path to success, in whatever field that may be and to whatever level you wish to achieve.

We can offer you a youngster with incredible potential, the kind of horse that you would never have thought it possible to find inside the boundaries of our country, but now you can ... a schoolmaster to start talented juniors on the right path to excel at those higher levels ... a jumping machine to propel you into the Olympic arena or around the cross-country course ... a broodmare to open the door to a future top-quality partner in your ambitions.

There is no limit to what Australia can do, and no limit to your own visions. We are here to help in every way, with vendor finance available on many lots to make sure it happens for you.

Ladies and gentlemen, we wish you every success in your bidding here today.

Ann-Maree and Heath

Black Grand Prix stallion 16.3hh 1996

Regardez Moi is one of the most exciting Grand Prix horses in Australia at the moment, winning the championship for the best performance throughout the East Coast series of CDI-Ws in Victoria, NSW and Qld 2007 - his first season at Grand Prix, and he was scoring over 70%!! Regardez Moi has already made what we think is Australian history by scoring a perfect "10" for his piaffe. You have seen him coming - after all, Regardez Moi was Australian national medium dressage champion in 2004, blasting through the ranks to FEI wins of up to a tremendous 74%, NSW 2005 State FEI small tour horse of the year and winner of one of only two gold medals awarded by Dressage NSW for three performances over 70% Now, Regardez Moi is a legend in the making and we feel he won't just be an Australian legend, but one that is honoured the world over. His sire Rubinstein is clearly one of the world's leading sires of Grand Prix dressage horses while his dam is equally brilliantly bred, by Consul out of a mare by all-time dressage great, Donnerhall. Regardez Moi has a brilliant extended trot and an exceptional ability to collect and dance in piaffe and passage. His first progeny are outstanding, now scoring more than 80% in the arena. Palomino stallion 17hh 2004

Byalee Briar is an amazing opportunity to acquire a highly sought-after European pedigree - Bjorsells Briar 899 was the world's number one dressage breeding stallion for five consecutive years! Now rider Jan Brink has chosen the Briar son Biggles as his next international GP horse. Briar 899 has won numerous international medals. He has eight different breed society approvals, and has sired no less than five approved sons with two winning Sweden's national stallion tests scoring 10s for rideability and gaits. He is famous for a quote from Olympian Kyra Kyrkland, who said: "I would give my soul for this horse." On the dam line, Byalee Briar is out of a Bernstein mare. Bernstein is a Swedish warmblood stallion, sire of many approved stallions, again with a pedigree that has proved itself in the ranks of Grand Prix in Europe and the US. Bernstein also sired Madonna, the winner of the national Swedish finals for four-year-olds, and won the Breeders' Trophy for 5- and 6-year olds. He was himself stallion of the year in dressage in Sweden in 2001. Together these bloodlines have now produced what we expect to be one of the most exciting young stallions to be brought into Australia. Byalee Briar has a soft, regular trot, he has inherited Briar's incredible uphill canter with strong shoulder and knee action, and shows that ever-essential correct walk. As a bonus, Byalee Briar is a palomino, with the colour dating back eight generations of Swedish warmbloods.

Bay gelding mat. 16.3hh 8/10/04

Jindi is a big, quiet baby who has only just been broken a year. Primarily being schooled by Heath and showing signs of being talented in the collected work, Jindi has not really been offered for sale or advertised and is only just now being schooled at a level where people can come and look at him. He also does show signs of spectacular extensions. Jindi is by Jive Magic and out of Sandy, who was bitten by a snake and died before having this season's foal, which was a great shame. Jindi was her first foal at 3 years of age. To carry on the line, we have Rondelle who is also out of Sandy and by Regardez Moi. Sandy was by the great Salute, who was the sire of Stirling Stilton (highest scoring Australian Grand Prix dressage horse at the World Equestrian Games 2002 in Jerez), DP Christopher (NSW Grand Prix Dressage Champion), GV Stirling Sioux (ridden by Olympian Olivia Bunn to 4 star level), Staccato (4 star, 3 day eventer with Craig Barrett and in 2006 was ranked No 1 eventing stallion in the World) and the list goes on. Sandy was out of a mare called TEC Mandy, who bred one foal only and continued as a successful eventer and dressage horse, with fabulous piaffe, passage and changes. Mandy was sold to China for the Beijing Olympics. Jindi will be no surprise if he becomes an international competition horse.

Bay gelding 16.1hh 11/9/99

Storm Centre (aka Barney) is a quiet and sweet-tempered horse, very easy to handle and willing to please. He is being schooled at the Ryans Equestrian Centre, and has experience competing at pony club dressage, eventing and show jumping, as well as open show jumping and eventing. Barney's dam line features the great thoroughbred sire, Danehill, actually a descendent of the excellent jumping blood of Northern Dancer. Barney is registered for EFA dressage, show jumping and eventing and is ready to go on with a new partner. This is a regretful sale, as he is much loved by his current owners.

Grey gelding mat 16.2hh 29/8/05

Aspire is a lovely type of horse, with excellent performance breeding. Aspire's breaking-in has been started by Gordon Bishop. His dam, The Temptress was an advanced eventer, before being retired as a broodmare. Sire Aspen's elastic movement and enormous jumping ability carried him to 2nd place in the 6yo jumping class at DJWTS and his pedigree features the proven jumping lines of Souvenir and Aachen. Souvenir has been a major influence on the jumping lines in Australia - his immediate progeny featured Mickey Mouse - ridden by Vicki Roycroft to 10th place at the World Championships Stockholm 1990, and further down the line Peppermint Grove, dual gold Olympic medallist with Gillian Rolton. Aachen is one of the most influential stallions to have been used in Australian performance horse breeding. He produced the internationally successful eventers Aava (WEG 2002) and Belcam Aberdeen, as well as multiple FEI Dressage and World Cup Showjumping horses. Aachen's sire, the legendary Argentinus (dec) is one of the world's greatest sires and has produced Olympic competitors in both dressage and showjumping. With this amazing breeding, Aspire R is sure to be another name to add to the history books. He is young and exciting - and waiting to take the competition scene by storm!

Black gelding 16.1hh 19/09/00

Hoc's Merlin is back in work after quite a break and has returned to his schooling with a great attitude. He has a beautiful, even trot and soft, floaty canter, plus he is looking great over a showjump. Hoc's Merlin is a combination of classic dressage lines through Richmeed Medallion, the sire of many very successful dressage horses and a stallion who enjoyed a long and successful dressage career with Heath Ryan and Ann-Maree right through to Grand Prix. There are also classic jumping lines through Hoc's Mystic, by Monopol, who was a Grand Prix showjumper consistently jumping fences over 1.80m and up to 2.20m. Her dam, Misty Claret, is by the great Souvenir and out of a Black Pampas mare called Sweet Sue. Misty Claret was a full sister to Mickey Mouse who was campaigned by Vicki Roycroft. Classic thoroughbred lines come through Merlin's dam, who has a mix of great staying blood lines and also running back to some great jumping lines.
