GROWING OUT SERVICE

When you buy an unbroken youngster you are getting first bite of the cherry. These are not horses that have been assessed by the professionals and passed over. These youngsters have the potential to change Australian Olympic history.

The first step with an unbroken youngster is to grow him/her out with exposure to good fencing, appropriate companionship and a diet that includes the right minerals for bones and joints to develop, plus a program of regular worming.

Auction of the Stars will take care of all of this. You do not have to have a moment's worry. It's a great way to buy a youngster, and a great way to get the beginnings of a dream, managed by professionals.

For more information and costing simply pick up the phone and talk to **Heath 0417 656636** or **email info@auctionofthestars.com** or, at the auction, **Speak with secretary Jenny Lamb.**

Time to Come Home

The London Olympics are over. The Australian dressage team went as well as could be expected. Despite the selection process being more than questionable, there were no other Australian Grand Prix combinations that were rightly or wrongly overlooked that would have changed Australia's position significantly. We came last in the world.

- To date, training has been very much focused on being based in the Northern Hemisphere. (The Australian Olympic team - Kristy Oatley and Lyndal Oatley are based full-time in Europe and Mary Hanna did spend more than six months in the lead up and has made a huge effort to train overseas in the past decade.)
- To date, sourcing a coach of any significance has seen we Australians focusing up on the Northern Hemisphere.
- To date, purchasing a horse capable of Olympic participation has traditionally seen we Australians sourcing horses out of the Northern Hemisphere.
- To date, Australian riders based in the Northern Hemisphere have received enormous support and funding whether it be from the EA or private. The point is all of these philosophies are traditional but we just came last at the Olympics. In my opinion, there was possibly no better approach in those years up until to now.

However, times have changed and a successful program for the 2016 Olympics in Rio de Janeiro will need to represent a thoughtfulness and in my opinion it's time for the big change. Every genetic at the London Olympics in the dressage arena can be found here in Australia.

This is courtesy of frozen semen and imported stallions and Australian breeders all over making a huge effort to produce state-of-the-art performance foals. Because of our Australian climate and everybody being able to breed a horse, we do in actual fact have large numbers of these state-of-the-art performance foals. *(continued over)*

Gold Coast 2012

It is a mathematical fact that amongst our swelling population of well-bred dressage horses there are some seriously outstanding individuals, equivalent to anything in Europe just out there in the Australian bush. Just a statistical prophecy. People can be standing on top of a diamond mine all their life and die poor because they never did go looking or searching for a richness that they had at their feet. It's the same with all our young dressage horses.

Unless you go looking and searching you may have an Olympic horse with your name written on it right in front of you, undiscovered. This is a truth that will happen to some of we Australians. Auction of the Stars does bring a collection of brilliant young horses, brilliantly packaged genetics and brilliant opportunities for those of you who would like to go searching. Which one of these youngsters is a possible Olympian of the future is hard to say, however, we would say that this catalogue is full of diamonds and it's up to you to take the initiative and go searching. Good luck.

Yours sincerely,

Heath Ryan and Ann-Maree Lourey

Ridden Horse Trialling

This is one of the outstanding opportunities offered through the AOS selling program. We would encourage all riders who are slightly interested in the ridden horses to pluck up the courage to trial these horses in the official trialling times. Of course you are very welcome to trial these horses by prior arrangement in the weeks preceding the auction. Most people do suffer from the thought of riding in front of a crowd on the official trialling day. Our take on this is that if you are too embarrassed to look out for your own interests, then certainly nobody else will. Also, if you have dreams and ambitions, secret or otherwise, and being embarrassed is the biggest obstacle you have to overcome, then really life is not too bad. Realistically you will have to overcome much bigger obstacles than just being self-conscious or embarrassed. Get out there, trial these horses and take advantage of a great opportunity.

At the auction you do have the unique advantage of comparing one horse against the other. This comparison opportunity is exactly what happens in competition, one horse immediately compared against another, a phenomena which is very difficult to replicate when buying a horse privately. Riding is a passion discipline and in most instances when buying privately a prospective purchaser falls in love with a horse and buys it. In the auction situation, a prospective purchaser is much more likely to weigh up the pros and cons of each horse on a comparative basis. Of course, falling in love with the horse is a critical ingredient for success but we at the AOS would encourage you firstly to select your next horse on an intellectual level, then follow your heart and fall in love with the horse. We all know of people that have bought horses that didn't turn out to be everything they had hoped for but nevertheless, love the horse and persevere even when it is clear they should sell and start again. Treat the auction trialling as a day at the office.

We encourage everyone to trial each horse that goes close to falling into their wish list category. Keep in mind that sometimes a horse that reads and looks mediocre in the catalogue actually turns out to be lots better in real life than you had expected. Conversely, some horses will catch your imagination in the catalogue, and then be disappointing in real life. Once you ride more than two horses you will lose track of details on each horse so we encourage you to write notes on each horse immediately after trialling them. Also, watching a horse being trialled by other riders is a great way of assessing honesty and rideability.

The first official trialling is at 2.30pm on Saturday October 6 and we would encourage all interested parties to take advantage of this Saturday trialling. This does give you as the potential buyer the opportunity to have another ride the next day Sunday October 7 at 8am. This also gives you enough time to research the horses and talk to the owners.

The basic format of trialling is that two or three horses come into the arena and are shown off for the first five minutes by their vendors, basically warming up and just gently running through the horse's routine. Then people wishing to have a little sit are invited to come forward. Prospective buyers organise to trial a horse by approaching the AOS representative, who takes a list of names so as to keep the trialling ordered, and also signing the appropriate waivers. Each trialling is tailored to each rider's individual needs, keeping in mind that the first and foremost priority is safety, and of course the well-being of the horse. It is a very hectic schedule with two sessions of public trialling plus the auction, all in two days, so horse welfare is a major consideration. We are of course very aware of also servicing the riders' needs.

Good luck, and if you have any questions please feel free to contact Sharon Carroll on 0412 826725 or email info@auctionofthestars.com.

LOT B

pic by Katy Driver

Palomino stallion 17.2hh 2004

Byalee Briar is an amazing opportunity to acquire a highly sought-after European pedigree without the frozen hassle! Bjorsells Briar 899 was for 7 years a legend, the world's number one dressage breeding stallion! On the dam line, Byalee Briar is out of a Bernstein mare, Bernstein being another Swedish warmblood stallion and sire of many approved stallions, with offspring in Grand Prix in Europe and the US. Bernstein was stallion of the year in Sweden and now has offspring with amazing piaffe and passage. Both Bjorsells Briar and Bernstein are elite-listed performance stallions and together these bloodlines have now produced Byalee Briar, who is just beginning to develop what will be an amazing competition trot. He has inherited Briar's incredible uphill canter with strong shoulder and knee action, and shows that ever-essential correct walk. Byalee Briar is already winning annual championships at novice level, scoring more than 65% at elementary level, so quiet he can be campaigned by a teenaged pony clubber, and his babies are friendly with great conformation and amazing movement. He jumps, practises polocrosse, and rides out like a gelding babysitting the young horses. His youngsters are a joy to ride. And as a bonus, Byalee Briar is a palomino, with the colour dating back eight generations of Swedish warmbloods. Now AWA, ISSA and palomino registered. Live cover only.

Fiji R

STANDING AT RYANS, HEATHERBRAE, NSW

LOT C

Pic: PeterStoop@exemail.com.au

Black stallion 16.2hh 1/7/04

Fiji R is an exciting young imported stallion campaigned and trained by young rider Breanna Tilitzki. Breanna has had great success with Fiji R, winning with scores over 75%. These scores have been posted at major competitions including Sydney competitions. Fiji R has now started competing at Prix St Georges and Intermediate I levels. Fiji R has the quietest of temperaments and often will be found at Young Rider competitions with just Breanna and her Mum as rider and guardian. This temperament Fiji R passes on to his foals. Fiji R has quite remarkable paces with a very distinctive walk. Trot is fully suspended with a definite ballerina poise between beats. Canter is beautifully balanced and uphill with super easy flying changes. Fiji R is sensationally bred with his sire Florencio being both the 5yo and again the 6yo World Champion young dressage horse. Florencio I is by Florestan I who has emerged as one of the recent very important dressage lines in Germany and who has a number of Olympic offspring to his credit already. On the dam line is a mix of Trakehner through the very famous Hohenstein and thoroughbred through the Hill Hawke line. The Hill Hawke line has become famous as a dam line by also being the dam line of the Welt Hit line. Many of the top Australian riders have a Fiji R youngster growing out in their backyard for the future including riders such as Rachael Sanna.

Flaxen chestnut colt 01/01/10 15hh

A compact and very attractive young colt by British Olympic Grand Prix sensation, Wie Weltmeyer, Wow simply oozes charm. His elastic and extravagant paces show scope in his movement with an exceptional hind leg and also free, flash front leg mechanics. Jumping should be no problem either as his father, Wie Weltmeyer, was known to win 1.40m classes on alternate weekends to his FEI dressage commitments up until 1997! Wie Weltmeyer is a seriously versatile stallion that has crossed very well with the thoroughbred mare Lawsuit. This young colt will be an enormous asset for a smaller rider wanting a horse with versatility, scope, power and presence! One the judges and riders will love - and those after colour will note that his flaxen mane and tail are in fact white, so only time will tell what kinds of chrome may be achieved! Wow is that sought-after warmblood stallion, small enough to ride comfortably but offering Grand Prix dressage and jumping bloodlines ... fulfilling a popular niche market in Australia. On top of all of that, Wow has a beautiful temperament and despite having mares in foal continues to act like a friendly labrador! We are thrilled with this prospect and look forward to a successful career with him. For more information see his sire and dam information at www.byalee.net.

Jamaica R

ON ACCOUNT OF RYANS

LOT 1

Pic: PeterStoop@exemail.com.au

Black mare 18/1/06 PPT to Starnberg due 15/2/13

Jamaica R is a stunning young broodmare who has wonderful looks, stunning white markings and super powerful movement. Jamaica R has been used as a broodmare simply because we were very keen to use these genetics in our breeding program. Should somebody decide to break her in and ride her she does represent an individual with state of the art performance potential. She certainly was not retired to stud because she carried an injury or some disability. Her movement is breathtaking. As a broodmare, Jamaica has been very successful and her 2011/2012 filly foal is a blinder, being retained by the Ryans. Jamaica R is by the powerhouse Grand Prix horse Jive Magic. She is out of Melissa R who carries magnificent bloodlines. Melissa R goes back to May Sherif who is still the only stallion in the world to ever sire two World Cup Freestyle winners in Andiamo with Sven Rothenberger and Matador with Kyra Kyrklund. On Melissa R's dam side is Salute who is the sire of Victory Salute 9th in the world at the WEG 2010 and also sire of Stirling Stilton who represented Australia at the WEG in 2002. Jamaica R is state of the art and she does have a live foal guarantee on her Starnberg foal, Starnberg being by the up-and-coming Sir Donnerhall.

Jarrah R

ON ACCOUNT OF RYANS

LOT 2

Pic: PeterStoop@exemail.com.au

Liver chestnut gelding 16.2hh 23/09/06

Jarrah R is a spectacular opportunity to purchase a young, winning medium-level dressage horse. Jarrah R started his competition career in May 2011 with his first preliminary test at 75.9%. Since then, Jarrah R has had enormous competition success working his way up through the grades with success after success. Today, just a little over 12 months on, Jarrah R is winning at medium-level official dressage competitions with his last score at the time of write up being 69.7%. Jarrah R is one of those horses that is hugely competition compatible and will win even when he doesn't perform his best test. Today Jarrah R has overall championships to his credit at preliminary, novice and elementary level. By the time of the auction we expect Jarrah R to have won medium championships. Jarrah R has great shoulder-in, half-pass and medium trot. Already Jarrah R has started piaffe steps and shows great talent. Canter pirouettes are well-established and flying changes every fourth stride and every third stride are well on their way to being party tricks. All of Jarrah R's schooling has been done by Emma Armstrong who weighs in at 40kg. Jarrah R is a very light and soft ride, with a wonderful back that makes for a beautiful feel. He is very light in the hand and very easy to sit trot on. This is a magnificent individual. Jarrah R needs a sympathetic rider and for further details talk to Heath Ryan.

Relando R

LOT 3

Pic: PeterStoop@exemail.com.au

Chestnut colt Mat 16.2hh 26/11/11

Relando R is definitely one of the most spectacular weanlings ever presented on account of Ryans. He is a natural explosion who happens to be very friendly by nature and born with an inner quietness. Relando R has just the most spectacular conformation being very compact with a brilliant topline and a neck that is set very high on really big shoulders. He is a powerful build but at the same time very cute. When it comes to moving, however, Relando R just walks on air. As can be seen in the photograph, this is a fair representation of the natural talents of Nureyev in the ballet world and Relando R in the dressage world. You need to see it to believe it. Relando R comes from a brilliant family, being the exciting Regardez Moi/Jive Magic cross. His oldest full sister Raspberry R was sold to the UK and is already starring. His oldest brother Redskin R was sold to Olympian Mary Hanna and at this stage Mary is very hopeful for a big career. Relando R is definitely the sort of individual that will lead the charge of Australian-bred horses performing well and winning in big international competitions such as Olympics. Interestingly, Relando R shares the same grand-dam, Corbette, as London Olympic eventing horse Mystery Whisper.

Tiger Lily

ON ACCOUNT OF ALEX KINGSTON

LOT 4

Bay mare 2002 16.2hh

Tiger Lily is a very exciting dressage prospect. She has three very correct, expressive paces with all the elements required for higher levels - huge jump in the canter with natural cadence and power in the trot - and has some serious arena presence. She has scored 68% to 72% in her limited competition outings, and she just gets better and better! Her temperament is even and predictable, and never displays any 'mareish' behaviour. She has great conformation and she is tough, resilient and 100% sound. She has spent a lot of time in the paddock while her owner travelled overseas, so she is completely unspoilt and has no wear and tear issues at all. She will suit any ambitious rider, professional or amateur alike, who wants to go places and turn heads in the dressage world! Those who trial her will be impressed with her movement and fall in love with the feeling of absolute quality. This is a great opportunity to purchase a wonderful mare that is truly set to star!

Roanallie R

ON ACCOUNT OF RYANS

LOT 5

Pic: PeterStoop@exemail.com.au

Bay filly Mat 16.1hh 12/09/11

Roanallie R is feminine in conformation, being quite elegant with big eyes and remarkable black points. These looks are somewhat misleading - once Roanallie R moves, she absolutely explodes across the arena. She does have a very correct four-beat walk with great overtrack, a trot that will have everyone talking and a canter that shows off great expression with the front legs and displays beautiful balance. And all the while, Roanallie R has a wonderful classy composure. Roanallie R is by the two-time Australian Grand Prix Champion Regardez Moi out of a Jive Magic mare. On the bottom side, Roanallie R goes back to Salute, probably the most influential performance stallion in Australia today and notably the sire of Victory Salute who was 9th in the world at the 2010 WEG with Brett Parbery in the saddle. Right down on the bottom line is Lynx, who is a full sister to Londoner. Londoner was the Australian Prix St George and Intermediare I Champion when he was just 6 years of age many years ago (6yos are no longer allowed to compete at this level). He was sold to Mary Hanna who took him on the Trans Tasman tour of New Zealand and here he won the Grand Prix against the Australian and the New Zealand Team. Roanallie R is a serious international.

Mintie Magic

ON ACCOUNT OF GORDON BISHOP

LOT 6

Pic: PeterStoop@exemail.com.au

Bay mare 2007 16.2hh

Mintie is the first of four foals from her dam. I have broken in the eldest three and they all were quiet to break in and ride. Mintie is purely a product of the Dutch breeding program - one of the most innovative and successful breeding programs of the modern era. Mintie's dam was bought as a broodmare at 3yo, however, after delivering a string of nice foals I started eventing her. She became a successful 1* eventer - the first of the international levels - with several wins along the way. However her dressage was always the most talented phase and I have pursued a straight dressage path. She is now a competent medium-level mare that has placed at every outing so far in her career. Mintie has competed at a local dressage day where she behaved beautifully, coming 2nd with 70% in the walk/trot and scoring a solid 60% in a preliminary test. She also happily jumped around a low-level jumping day not long after breaking in. Mintie is a little older because she is a proven broodmare - she has a rising 3yo filly by Regardez Moi, which has big, lofty paces. A full sister is also in the pipeline, so Mintie is offered for sale purely for financial reasons, and her generous temperament and her breeding would suggest she has a great deal to offer.

Chestnut colt Mat 17hh 7/09/2011

Why go overseas to buy when you can buy the overseas product right here at Australian prices?! This magnificent colt moves effortlessly across the ground, as well he should. Bunyip is bred with the best Grand Prix blood you can find - he is by the imported stallion Byalee Briar, who is by the legendary international Grand Prix dressage stallion, Bjorsells Briar 899, who was the world's top dressage stallion and undeniably the most consistently performing dressage stallion on the world stage for the eight years, first appearing at Sydney Olympics 2000 and still placing in international competition at 17. Bunyip is out of the wonderful AWhA-registered Brentano II mare Belladonna, who has one of the sweetest natures we have found a broodmare, and of course Brentano II is the sire of the world-famous Grand Prix mare Brentina who with Debbie McDonald has put American dressage on the map. Brentano II was the champion stallion at the stallion licensing in Verden in 1985 and runner-up in the performance test in 1986. His sire Bolero was responsible for not one but THREE Grand Prix horses at the Athens 2004 Olympics. Bunyip is bred to win!

LOT 9

Pic: PeterStoop@exemail.com.au

Bay mare 16hh 20/8/08
PPT to Regardez Moi due 15/2/13

Florence R is the first of the three Fiji R lots to appear. Florence R is a 4-year-old mare carrying exquisite bloodlines. As with all the Fiji R youngsters, Florence R has a wonderful temperament and this comes from the stallion Florestan I. Florence R has a really great laidback walk with super overtrack. At first when she is trotted up she is very quiet, however, with some encouragement one realises she is unexpectedly dynamic with great hock bend and typical Fiji R front forearms dancing across the ground. Her canter is balanced and elegant. Florence R is out of the Salute mare Slinky R. Salute is probably the most influential performance stallion in Australia at the moment being the sire of Victory Salute 9th in the world at the WEG 2010 and also sire of Stirling Stilton who was the highest-placed Australian horse at the WEG in 2002. Salute is also the sire of Staccato who was ranked the number one eventing stallion in the world some years ago, F1 Pharenelli who was short-listed for the 2012 Olympics, DP Christopher who was the NSW Grand Prix dressage champion and Salute was the sire of the mother of Mystery Whisper, who competed at the London 2012 Olympics. The mare Lynx, who is the mother of Slinky R, is a full sister to Londoner who was an absolute superstar dressage horse with Olympian Mary Hanna. Florence R is a wonderful opportunity.

LOT 10

Pic: PeterStoop@exemail.com.au

Black filly Mat 16.1hh 29/12/11

Friendly Rhythm R is a classic Fiji R filly in that she is very quiet, very friendly and very interested in introducing herself to everybody. She does, however, have paces to burn with great walk and a trot that will make the most seasoned of connoisseurs sit up and assess her carefully. Her canter is beautiful and uphill. Friendly Rhythm R has international paces and the trot just goes and goes and goes. Friendly Rhythm R would have to be one of the most advanced dressage products on the market being by Fiji R out of Russet R who is herself a Regardez Moi/Jive Magic cross. Right down on the bottom line is the mare Anky and this mare is by the Dutch stallion Ilkay. Ilkay has only had a limited number of offspring in Australia, however, they are beautiful-moving scopey individuals. At the time of writing I had just competed in the Intermediate I in Sydney (Saturday 11th August, 2012) and this class was won by an Ilkay horse, Glenquarry, ridden by Camilla Palmer. Mix that up with Regardez Moi and Jive Magic and Fiji R and Florestan I who was the World Young Horse dressage champion in the 5yo class and then again in the 6yo class and you do have a wonderful opportunity in Friendly Rhythm R.

ON ACCOUNT OF TRACI AND BAS BOLT

LOT 11

Bay filly 5/12/11 Mat 16.1-16.2hh

Karizzmagic is an exceptional bay filly by Jive Magic out of a Byalee Romance (Regardaz Moi) mare. She has undoubtedly inherited her father's incredible presence and paces with a huge walk and canter. Her trot is effortless - expressive and uphill with great elasticity. From the moment this filly hit the ground she has shown the impeccable temperament, confidence and outstanding movement one would expect from these lines. "Indy", as we call her, as she has always shown a refreshing independence, should mature around 16.1-16.2 hh. A very exciting dressage prospect.

Byalee Party

ON ACCOUNT OF BYALEE STABLES

LOT 12

Brown gelding 2008 14.3hhh

Take away the thoroughbred brands and this gorgeous little galloway could well be mistaken for a well-conditioned little quarterhorse! And certainly in terms of temperament, Party is much more like a quarterhorse too, with a super comfy trot and canter, offering sweet paces, with great rhythm. His movements exceeds his breeding and he shows great promise for pony dressage and pony club. His huge strength is his temperament under saddle, which is largely unflappable, and whilst he is a fun ride for all standards of rider, he would be quite happy to never canter again in this lifetime if it were not required! By the time of the auction we are expecting that he will have been used here at Byalee for lessons, as well as competing in jumping, dressage and hacking. Party is a cute little character who will make someone a fun partner in life.

Rumble R is a powerful colt who comes from a spectacular family. Movement-wise he just explodes across the arena. Conformation-wise he is scopey and is so supple he looks like the Indian rubber man. He has a great front end with front legs that have great freedom along with a good hind leg action. He is breath-taking! Rumble R is a full-brother to Ragamuffin R who went through the Toowoomba auction 2009 where she was a sensation and brought \$25,025. Two other fillies from the same mother, (Jumping Janie R), Miss Minx R and Resplendent R have been retained by Ryans for their elite broodmare herd. Rumble R is by Regardez Moi, two-time Australian Grand Prix Dressage Champion and represented Australia at the World Cup Finals in Las Vegas in 2009. Regardez Moi has won well in excess of 30 Grand Prix dressage tests. The dam of Rumble R is Jumping Janie R. Jumping Janie R is by Jive Magic, winner of the biggest Grand Prix dressage class in 2010, Sydney CDI. Diamond Delight R, the grand-dam, is by Don Ramiro who was an absolute sensation as a young horse with Heath Ryan before being sold back to Germany. Kenare Snowshoes, the great grand-dam, is by Salute, sire of Victory Salute (Brett Parbery), 9th in the world at the 2010 World Equestrian Games. LOT 14

Pic: PeterStoop@exemail.com.au

Bay gelding 16.2hh 20/01/10

AEA Texas is a lighter warmblood that would not look out of place in a Sydney Royal hack class. AEA Texas was broken in and trained to date by Sappho Ransan-Elliott as in the photograph. AEA Texas has wonderful charisma and is a very light ride. He is reactive to light aids and naturally stays on the bit. AEA Texas has a good walk with good overtrack and a "to die for" trot with wonderful rhythm, suspension and expression. As seen in the photograph, AEA Texas easily lowers behind and engages. The canter is very balanced and already will shorten with the gentlest of encouragement. As a competition horse, AEA Texas has the potential to be a show stopper! AEA Texas does have Gribaldi on his sire's side. Gribaldi is the sire of Totilas, who broke all dressage records with Edward Gal in the saddle and consistently scored over 90%. Totilas was sold by his Dutch owners to German Paul Schockemoehle for a rumoured AUD\$22million. AEA Texas is one of the first youngsters bred in Australia to carry these bloodlines. On the dam's side of AEA Texas is Rituel, who started life with Mary Hanna and who represented Australia at the World Young Horse Dressage Championships in Germany. Rituel and Mary placed 11th, which to this day remains the highest placing ever achieved by an Australian entrant. AEA Texas is a stand-out cracker.

Bay gelding 17hh 29/12/07

Royal Jive R is just the most magnificent type of big youngster showing off lots and lots of quality. Royal Jive R is one of the first Regardez Moi/Jive Magic crosses and we do expect from this genetic cross youngsters to go on and represent Australia in years to come in the Olympic Games. Royal Jive R has a wonderful walk, a really smart and beautiful trot as can be seen in the photograph, and really nice balance in the canter. He is simply stunning. Royal Jive R's father Regardez Moi would easily be the most winning dressage stallion ever in Australian history. To date Regardez Moi has won well in excess of 30 Grand Prix dressage competitions and that is not counting Grand Prix Specials and Grand Prix Freestyles, of which he has won many. Interestingly, on Royal Jive R's dam line he carries the Ilkay blood, which was little used here in Australia but did produce some fantastic youngsters with huge scope and elasticity. By coincidence the broodmare Lot 15 also carries Ilkay blood. Royal Jive is a sweetie to handle on the ground and he was broken in and trained by Hazel Shannon who can also be seen in the photograph. Royal Jive R is a majestic masterpiece and with the right partner has the potential to make a right royal impact on the Australian Grand Prix scene.

Shannon R is the dam of: Daylight (campaigning in Germany at Grand Prix level); Don Romeo (who was winning at Prix St Georges and about to start Grand Prix with Australian international rider Sue Hearn but was unfortunately exported to England); Don Rivera (winning Prix St Georges with Rozzie Ryan); Donna Carina (winning at advanced with Megan Bryant); Jeff The Chef W (USA National Advanced Dressage Champion and already competing Grand Prix with Silva Martin) - this is a full brother to Journeyman R; Jonquil R (another full sister to Journeyman R retained at stud at Ryans); another five brothers and sisters but no more space. Byalee Gemini

ON ACCOUNT OF BYALEE STABLES

LOT 20

Bay gelding 2000 15.2hh

Byalee Gemini was born and bred in the Hunter Valley by a warmblood stallion out of a TB mare. Wyunian Buckhara is by the imported warmblood stallion Kilof McOhl (one of Mary Hanna's first FEI dressage horses AND a successful three-day eventer) out of a Wesuw (imported Trakehner) dam. Wesuw was a supreme led exhibit at Sydney Royal and his offspring excelled in dressage, showjumping and showing. Gemini has been competed this year from Byalee scoring more than 70% for three first placings with a 16yo rider. In fact, he was first competed in the Hunter by a 14yo girl after he was broken in, and sold to Queensland. But in fact he is a flash showjumping horse that does dressage! Gem has been used as a schoolmaster and teacher for Byalee working pupils, since he travels on the bit if you know how, in a frame if you vaguely know how, and not at all if you don't! Gem doesn't need to be placed in the perfect spot for a clean jump nor does he need to be pushed to the fence. Gem was competing in novice level dressage and jumping 95cm with a junior rider before arriving at Byalee, and recently performed calmly and happily at his first event placing second, consistently described by dressage judges as a 'kind horse'. We imagine he would best suit a teenager who loves jumping, but does require basic flatwork as well!

Ranger R is absolutely state-of-the-art in every way. The dam of Ranger R, Jonquil R, is every bit as spectacular in that she is a full sister to Jeff the Chef W who right this moment is competing Grand Prix in the USA with Silva Martin. Interestingly enough, Jeff the Chef W was the very first foal ever to be born by Jive Magic. Jive Magic has often been described as Australia's most powerful Grand Prix horse. Shannon R, the grand-dam of Ranger R, is by Salute, who in turn is the sire of Victory Salute who placed 9th at the 2010 World Equestrian Games with Brett Parbery in the saddle. Shannon R is also the dam of five FEI dressage horses Jeff the Chef W (Grand Prix in USA), Don Romeo (Grand Prix in the UK), Daylight (Grand Prix in Germany), Don Riveria (Prix St Georges in Australia) and Donnabella (Prix St Georges in Australia) and Shannon R is also the grand-dam of BP Jive Talkin' (Prix St Georges in Australia).
